

Cut-offs for January Round 1 offers

2017–18 admissions

Cut-offs

For 2017 Year 12 applicants, institutions have released the lowest cut-off required for selection into each course. The cut-offs include bonus points, so each cut-off listed is the lowest rank (**including any bonus points**) required for entry into each course.

These cut-offs, shown in the table below, reflect the interaction of three factors:

1. the number of places available in the course
2. the number of applicants for the course
3. the quality of those applicants.

The cut-offs apply to domestic applicants only; the cut-offs for international applicants may differ from those shown.

Some Year 12 applicants may receive an offer to a course even though they have an ATAR below the cut-off for the course. This is usually because they have been awarded bonus points.

The cut-offs do not generally apply to non-Year 12 applicants. Institutions may take any or all of the following into account when assessing non-Year 12 applicants – tertiary studies, secondary studies, post-secondary studies and other relevant factors such as employment history and special circumstances.

If **N/A** appears instead of a cut-off, a cut-off is not applicable because *either* selection criteria other than or in addition to the ATAR are used or the course is not offered to Year 12 applicants.

Courses to which no offers have been made on the basis of 2017 Australian Year 12 results are shown on the course list with an asterisk (*) in place of a cut-off.

Vacancies

A letter ‘V’ shown in brackets after the cut-off indicates that some places may be available after January Round 1. Vacancies could also arise in some courses not marked ‘V’. This will not be known until after acceptances have been received and no guarantee is given that further offers will be made.

If you applied for a course marked with a ‘V’ and you were not made an offer, your qualifications may not have been sufficient to gain entry into the course in this round.

Do not rely on receiving an offer in the next round. If you have received a January Round 1 offer, you are advised to accept that offer. Even if you accept an earlier offer, you can still receive another offer in a later round. If you prefer the later offer, you can then accept that offer and withdraw from the earlier offer.

For more information on accepting offers, visit uac.edu.au/undergraduate/offers/accept.shtml.

Changing preferences for January Round 2

The next offer round is January Round 2 on Wednesday 31 January 2018. You can change your preferences for January Round 2 on the My UAC app or UAC’s website until midnight (Sydney time) on Wednesday 24 January 2018.

For more information on changing preferences, visit uac.edu.au/undergraduate/apply/course-preferences.shtml.
