### Notes

- 1 You can study both Ancient History and Modern History, but there is only one HSC History Extension course. It is considered a course within the subject of either Modern History or Ancient History.
- 2 You must study Music 2 if you wish to study HSC Music Extension.
- 3 You may study either Studies of Religion I or Studies of Religion II, but not both.
- 4 You may study only one of the following languages: Croatian, Macedonian, Serbian.
- 5 A student can only count either Malay Background Speakers or Indonesian and Literature in their pattern of study.
- 6 These are 240-hour Vocational Education and Training (VET) courses. An optional written examination is offered for the HSC. If you want the results from these courses to be available for inclusion in the calculation of your ATAR, subject to ATAR eligibility (read page 11), you must undertake the optional written examination.
- 7 Other courses are available in these VET subject areas. However, they are not available for inclusion in the calculation of the ATAR as there is no graded assessment in the courses. The courses range from 120 indicative hour courses to 60 or 120 indicative hour extension courses. Specialisation studies are also available in some subject areas. Check with your school or on the NESA website at [educationstandards.nsw.edu.au](http://educationstandards.nsw.edu.au) for more information.
- 8 The unit value of this course changes depending on whether the course is taken in combination with Mathematics or HSC Mathematics Extension 2. Read 'Mathematics courses' on page 13.
