

# Undergraduate fact sheet 8: Early entry schemes

The following institutions have early offer schemes for Year 12 students. Through these schemes, Year 12 applicants may be selected for courses independently of their final Year 12 results and on the basis of a range of criteria, including recommendations provided by schools/colleges.

For example, Schools Recommendation Schemes (SRS) enable schools to recommend current Year 12 students, who are UAC applicants, for early offers of undergraduate admission. Applications are processed centrally by UAC but institutions have their own policies on determining SRS eligibility and making offers. For further information about SRS, and to apply, visit UAC's website at [uac.edu.au/srs](http://uac.edu.au/srs).

For other early offer schemes, applications must be made directly to the institution.

In addition to applying for the early offer scheme, you must apply for undergraduate admission. For information about applying through UAC, visit [uac.edu.au/undergraduate](http://uac.edu.au/undergraduate).
