ADMISSION REQUIREMENTS

Read section 3 in Part 1 for general information about admission requirements, including English language proficiency.

Admission requirements are the minimum qualifications you need before you can be selected for admission to a course of study.

As an international student completing one of the following qualifications in 2017, you will apply for admission through UAC and will generally be selected on the basis of your performance in these studies (ie your ATAR or equivalent):

- an Australian Year 12 qualification (either outside or in Australia)
- an International Baccalaureate
- a New Zealand National Certificate of Educational Achievement Level 3.

When assessing your application, ANCB may take any or all of your qualifications or attempts at study into account.

There are no minimum academic entry requirements for courses at ANCB. However, to prove English language proficiency, international applicants require the equivalent of IELTS 5.5 (Academic) with no skills band less than 5.0. For further information, visit <http://www.uac.edu.au/international/admission/elp/ancb.shtml>.

Limited ATAR

ANCB accepts the Limited ATAR for admission purposes – read section 8.6.

Additional selection criteria

In addition to meeting the standard admission requirements, applicants may be required to satisfy additional selection criteria, such as a personal statement, questionnaire, portfolio of work, audition, interview or test. These criteria are taken into account either instead of, or in conjunction with, your ATAR or equivalent.

Details of additional selection requirements are outlined in the course descriptions on UAC's website at www.uac.edu.au/international/course-search.

Alternative entry and pathways

Applicants under 18 years of age

Students who are under the age of 18 at course commencement will be required to attend an interview to assess their suitability for the course and entry will be at the discretion of the Head of Academic Services.

Annual course fees only cover the cost of your tuition. They do not include other expenses associated with university study such as accommodation, books, equipment and living expenses. Your Offer of Admission letter will list the indicative fees you should pay, including compulsory Overseas Student Health Cover fees and any other general charges levied by the College. The tuition fee must be paid in advance for each semester or teaching period. Annual tuition and other fees are subject to change on 1 January each year after commencement of study.
