Media release – Tuesday 15 December 2015
For immediate release

ATARs released this Thursday

MORE than 70,000 NSW HSC students will find out their Australian Tertiary Admission Rank (ATAR) this Thursday 17 December at www.uac.edu.au. The ATAR is the rank NSW and ACT universities use to select school leavers for their courses.

Students can view their ATARs from 9am using their HSC student number (or UAC application number) and UAC PIN.

Students can access their ATAR on UAC’s new mobile app, My UAC. My UAC enables students to check their ATAR, search for courses and manage their course preferences on their phone or tablet. It is available now for free in iOS and Android.

Students can also view their ATAR on UAC’s website at www.uac.edu.au.

UAC reminds students to have their numbers ready for Thursday. If they have applied through UAC, their UAC application number is on their Confirmation of Application and they can receive a reminder of their UAC PIN through Check & Change on UAC’s website by entering their UAC application number, selecting ‘forgotten your UAC PIN?’ and following the prompts to have it emailed to them.

Their HSC student number is printed on their School Certificate Record of Achievement and their school will have a record of it. They can also call the Board of Studies, Teaching and Educational Standards (BOSTES).

If they haven’t applied through UAC, they can call UAC between 8.30am and 4.30pm Monday to Friday (Sydney local time) on 1300 275 822 or (02) 9752 0200 from mobiles.

ATAR notices will also arrive in the post from Friday 18 December.

Students applying for tertiary study in 2016 have until Wednesday 6 January 2016 to change their course preferences for consideration in the Main Round of offers on Wednesday 20 January.
