Important dates

Application closing dates

Application closing dates, including final closing dates for each course, are listed in the course search on UAC's website at uac.edu.au/postgraduate/course-search.

2018 semester dates

ICMS has two postgraduate intakes each year; February and July. Each semester is preceded by an orientation session:

February semester	Monday 19 February – Friday 22 June 2018
July semester	Monday 30 July – Friday 30 November 2018

ABOUT

The International College of Management, Sydney (ICMS) is a leading business school offering a balance of management and practical training within a culture of innovation and entrepreneurialism. Since 1996 ICMS has helped thousands of graduates embark on successful careers.

ICMS offers postgraduate courses that are regulated, accredited and recognised the same way as all public universities in Australia. Strongly endorsed and supported by industry, ICMS offers programs that are designed to help you further your management career.

As an ICMS Postgraduate student you will experience the following:

Work-integrated learning

Work-integrated learning and an intensive industry based research project are experiences that will differentiate you from competitors in the job market. All ICMS Master's students complete a work placement of 600 hours related to their studies and submit a rigorous research report. Graduates leave ICMS with the industry connections and experience they need to move directly into management roles.

Genuine diversity of international students

ICMS is a global community. Our students come from more than 40 countries as far reaching as Europe, South America and Asia. Our graduates go on to work as industry professionals worldwide. We are proud of our diverse student population, which includes experienced managers and recent graduates seeking advanced study.

Quality and contemporary curriculum

We believe in a curriculum that blends a thorough understanding of the theoretical principles of management, with innovations in hands-on, practical education. We work closely with industry to deliver a highly relevant

postgraduate curriculum that includes the latest conceptual tools and innovative approaches to contemporary business.

Internationally experienced teaching faculty

The collective expertise of our teaching faculty spans industries, countries and careers. Positions have included sales and marketing directors, financial analysts, destination marketers, CEOs, management consultants and corporate trainers. Our teaching staff are industry professionals and many maintain professional roles outside academia. They are committed to the teaching and learning of our students, delivering a challenging, engaging and cutting-edge education.

Flexible study, small classes

Our flexible timetabling includes day and evening classes enabling you to balance study with work/life commitments. Selected subjects are also offered at our Sydney CBD venue – a 17-minute fast ferry journey from Manly – for further convenience and a blended learning experience.

All ICMS Masters classes are taught in a small seminar style allowing students to gain a deeper understanding of business and management trends as they collectively examine and discuss key issues in industry. Small classes also strengthen the working relationship between students, teaching staff and guest speakers.

Friendly and supportive campus experience

Postgraduate students can sometimes forget the importance of a well-rounded work-life balance. Our Student Experience Team organise social events to help you maintain that balance. ICMS has several student clubs and associations as well as rugby, netball and futsal teams. Our staff and students are connected in a way that just wouldn't be possible in a large university, making for a unique campus experience.

Australia's most beautiful campus location

It would be hard to find a college in a more spectacular location than our campus in the Sydney beachside suburb of Manly. Ocean panorama, parklands, and the cityscape are all part of the view from the commanding sandstone building that is home to ICMS. The campus is a 5-minute walk to famous Manly beach, one of Sydney's premier surfing beaches. Manly's vibrant shopping precinct is well known for its cafés, restaurants and nightlife.

Further information

Visit the ICMS website for more information on ICMS courses, student life and applying for 2018: icms.edu.au.

ADMISSION REQUIREMENTS

Admission requirements vary by course. Check the course descriptions on UAC's website at uac.edu.au/postgraduate/course-search to view entry requirements for individual ICMS courses.

Overseas qualifications and English proficiency

If you hold overseas qualifications from countries where English is not the standard language of instruction, you must provide evidence of English language proficiency. Refer to ICMS's English language proficiency requirements on UAC's website at uac.edu.au/postgraduate/admission/elp/icms.shtml.

TYPES OF PROGRAMS AVAILABLE

ICMS offers a specialised range of coursework programs at postgraduate level. These include a Graduate Certificate of Business, and Masters programs in International Business, Tourism & Hospitality and Management & Organisations.

All Masters degrees at ICMS include a 600-hour Industry Research Project where you will work in an organisation on a pre-defined business project. This project is a structured and supervised part of your curriculum.

ENROLMENT

Acceptance of offer

We will contact you at the time of offer with acceptance procedures and deadlines.

Advanced standing/Academic credit

Applicants who can demonstrate successful completion of equivalent postgraduate units of study at a recognised university or college may be eligible for credit towards a program of study at ICMS. Applications for advanced standing must be made directly to ICMS and must include certified copies of full academic transcript and official copies of the curriculum for the course of study undertaken by the applicant.

Enrolment dates

An enrolment session for students will be held during the orientation of each intake. See 'Important dates' for semester dates. You will be contacted by ICMS at the time of offer with enrolment and orientation session details.

Deferment of offer

Deferment of up to one year may be available upon request. Deferment options will be outlined at the time of offer.

FEES AND CHARGES

Postgraduate students are required to pay a per-subject tuition fee.

Tuition fees can be paid up-front to ICMS. Refer to the course description at uac.edu.au/postgraduate/course-search for an estimate of the total program fees. This fee is indicative only and fees are reviewed annually.

The Australian Government has proposed changes that will affect the fees that institutions can charge. For the latest information, including loan and government scholarship assistance details, visit studyassist.gov.au.

FINANCIAL ASSISTANCE

Check studyassist.gov.au for information on financial assistance from the Australian Government available to postgraduate students.

The Australian Government has proposed changes that will affect the way that students will repay the debt accumulated under HELP. For the latest information, including loan and government scholarship assistance details, visit studyassist.gov.au.

FEE-Help

For Australian citizens and Permanent Humanitarian Visa holders, FEE-Help is available from the Australian Government to help support the cost of your tuition. For further information, visit studyassist.gov.au.

COURSES AVAILABLE BY DIRECT APPLICATION

All ICMS Postgraduate programs are available by direct application as well as through UAC. To apply direct visit www.icms.edu.au/apply.

INTERNATIONAL FEE-PAYING STUDENTS

International fee-paying students must apply directly to the ICMS. For more information, contact ICMS, email info@icms.edu.au or visit icms.edu.au.

ACCOMMODATION

ICMS offers a range of on-campus and off-campus accommodation options including shared and single rooms catering for a range of budgets.

Students who live on-campus in Manly enjoy a rewarding and fulfilling lifestyle with all meals provided, 24-hour access to computer labs, sporting facilities, as well as the luxury of being in close proximity to classes and the world-famous Manly beach. Residential fees include accommodation and meals for the term. Rooms are equipped with a desk, wardrobe, heating, personal phones and wireless internet. Each floor is equipped with a kitchenette, showers, toilets and ironing facilities. For further information, visit icms.edu.au/accommodation.

STUDENT AND CAMPUS SERVICES

Academic support

The Academic Learning Centre provides opportunities to develop your academic skills and prepare you for the cultural change to tertiary student life. The Academic Learning Centre provides advice on:

- effective study techniques
- note taking skills
- exam techniques
- time and stress management
- academic writing
- oral presentations
- ESL support
- numeracy support.

Learning assistance

Peer Assisted Learning (PALS)

ICMS offers additional tutoring and mentoring services delivered by fellow students. This is an optional service available to students seeking extra support in certain subjects.

Library and computing services

The library (Pollard Resource Centre) provides access to a variety of resources to help you with your study and research needs, including e-books, e-journals, online databases, e-reference, online periodicals and bibliographic databases, general and specific references, audiovisual resources, and industry journals, magazines and newspapers.

Orientation

Postgraduate orientation is filled with important information sessions and social events. These are some of the things you'll do at orientation:

- enrol and get your timetable
- get to know the College and Manly
- meet other students and start your ICMS social life
- find out more about your program from our Head of Postgraduate Studies
- prepare for an exciting and busy term at ICMS.

Student life, sport and recreation

ICMS is a supportive community in which you will enjoy vibrant and fulfilling student life. Our dedicated Student Experience team works with the Student Representative Council (SRC) to plan social and cultural events throughout each term. You can also get involved in student-led clubs and societies such as the Scandinavian Association, Rotaract and Asian Students Association.

Sport and recreation is a big part of the ICMS experience. Our on-campus sporting facilities include tennis and basketball courts and an outdoor gym. Weekly on-campus sports activities/competitions include tennis, tae kwon do, boot camp, volleyball, 3-on-3 basketball and futsal. The College also has teams in external rugby and netball tournaments.

FURTHER INFORMATION

Further information about courses, student life and campus facilities can be obtained by visiting the College's website at icms.edu.au.
