

Course preference status explanations

The following is a list of the statements UAC uses to describe the progress of your application to each of your course preferences. Next to each statement is a more comprehensive explanation of your assessment status.

Course preference status	Explanation
Eligible – subject to being competitive	You have no outstanding selection criteria that will prevent you receiving an offer to this course, but this does not guarantee an offer as your qualifications must be competitive compared to all other applicants.
Not eligible – this course has been withdrawn/cancelled by the institution	This course has been withdrawn or cancelled by the institution. Use UAC's course search to find similar available courses.
Not eligible due to your previous exclusion	You are not eligible for an offer to this course due to your previous exclusion. If you believe that you have not been excluded, contact UAC for further information.
Decision pending – previous exclusion	A decision has not yet been made as to whether your previous exclusion will affect your eligibility for an offer to this course – check back later. If you believe that you have not been excluded, contact UAC for further information.
Not eligible – you have not met minimum admission requirements	You are not eligible for an offer to this course as you have not met the admission requirements – contact the institution for further information.
Not eligible – you have not paid your processing fee	To be eligible for an offer you will need to pay your UAC processing fee. Payment can take 2–3 working days to process. Check your correspondence in Manage your application for further information.
Eligible – your deferment has been processed	You are guaranteed an offer to this course if you have no higher preferences for which you are competitive for an offer.
Decision pending – additional selection criteria	A decision has not yet been made as to whether you have met the additional selection criteria for this course – check back later. If you do not know what the additional selection criteria are for this course, check the course description by using UAC's course search.
Not eligible – you have not satisfied additional selection criteria	You are not eligible for an offer to this course as you do not meet the additional selection criteria. If you do not know what the additional selection criteria are for this course, check the course description by using UAC's course search.
Not eligible – you are not required to apply through UAC for this course – check your correspondence	You are not eligible for an offer to this course as you should have applied directly to the institution. Check your correspondence in Manage your application for further information.
Decision pending – English language requirements	A decision has not yet been made as to whether you have met English language requirements for this course – check back later.
Not eligible – you do not meet English language requirements	You are not eligible for an offer to this course as you do not meet the English language requirements.
You have received an offer to this course	No further explanation. Contact the institution for further information.
Decision pending - course prerequisites	A decision has not yet been made as to whether you have met the subject prerequisite/s for this course – check back later. If you do not know the subject prerequisite/s required for this course, check the course description by using UAC's course search.
Not eligible – you have not satisfied course prerequisite(s)	You are not eligible for an offer to this course as you do not meet the subject prerequisite/s. If you do not know the subject prerequisite/s required for this course, check the course description by using UAC's course search.
Your results are not yet available – check back later	No further explanation.
Not eligible – your course preference was added after the closing date for this course	No further explanation.
Not eligible – your application was submitted after the closing date for this course	No further explanation.
Not eligible – you have not satisfied additional admission requirements.	You are not eligible for an offer to this course as you do not meet additional admission requirements. If you do not know the additional admission requirements for this course, check the course description by using UAC's course search.
