ABOUT

Aspire Institute (Aspire) is owned and governed by the prestigious International College of Management, Sydney (ICMS). Partnering with internationally recognised universities and colleges Aspire offers pathway diplomas to a range of bachelor degrees.

Aspire pathway diplomas are designed to mirror the first year of a business-based bachelor degree. Small classes and additional support are provided to help you excel in your studies. On successful completion of an Aspire diploma – one year full time – you can gain entry to the second year at one of the institutions listed below.

University pathways (Dip Business Management)

New South Wales

- University of Newcastle
- University of Technology Sydney
- University of Wollongong
- Western Sydney University

Queensland

- Griffith University

South Australia

- University of South Australia

Western Australia

- Edith Cowan University.

ICMS Pathways (Specialist Diplomas)

- International College of Management, Sydney (ICMS).

Studying an Aspire pathway will not add any time to your studies and you will be able to complete both your pathway and bachelor degree within the standard full-time duration of three years.

Aspire diplomas include an internship of up to 450 hours. There is an industry placement team who will help you find your internship opportunity.

Aspire students are an integrated part of the ICMS student body and enjoy access to ICMS student services and campus facilities.

The campus is located in Sydney's famous suburb of Manly, conveniently located close to beaches and Manly shopping precinct with its cafes, restaurants and boutiques. The campus is also close to the Sydney CBD (17 minutes by fast ferry).

ADMISSION REQUIREMENTS

Completion of Australian Year 12 qualification with any two units of English (Band 2 or above) or equivalent, or completion of a Certificate IV or higher awarded under the Australian Qualification Framework. No ATAR required.

Applicants who have not completed Year 12 but have documented paid work experience and/or completed the ICMS foundation program will be considered for entry.

Applicants may attend an Application Interview to be considered on non-academic criteria.

HOW TO APPLY

Apply directly to Aspire Institute. For application details, visit aspire.edu.au/apply.

ENROLMENT

You will receive information about acceptance and enrolment procedures with your offer.

FEES AND CHARGES

Tuition fees are payable per trimester and are reviewed annually. Fees for each year are published on our website, aspire.edu.au. We reserve the right to change the fees for any course and to make alterations to the course of study which may increase the fees over the duration of the course.

Students have the opportunity to apply for the Australian Government's FEE-HELP loan scheme – see 'Financial assistance' below.

FINANCIAL ASSISTANCE

Students can apply for FEE-HELP, which is available to Australian citizens and repaid through the taxation system once your income is above the threshold. For more information on FEE-HELP, visit studyassist.gov.au.

ACCOMMODATION

Students who live on campus enjoy a rewarding and fulfilling lifestyle with all meals provided, 24-hour access to computer labs and sporting facilities, as well as the luxury of being in close proximity to classes and the world-famous Manly and Shelly beaches. Residential fees include accommodation and meals for the trimester. Rooms are equipped with a desk, wardrobe, heating, personal phones and wireless internet. All linen is provided and rooms are cleaned once a week. Each floor is equipped with a kitchenette, common showers, toilets and ironing facilities. For further information, visit aspire.edu.au/experience/accommodation.

STUDENT AND CAMPUS SERVICES

Aspire Institute shares its campus with ICMS providing students the benefit of all student services and campus facilities including library, computer labs, study areas, and sport and recreational facilities.

Orientation

Orientation week is filled with important information sessions and social events. During this action-packed week, you will be introduced to the vibrant and caring community and life in Manly. These are some of the things you'll do during orientation:

- enrol and get your timetable
- get to know the campus and Manly
- meet and engage with other students
- find out more about your program from our academics
- prepare for an exciting and busy trimester.

Learning assistance

Aspire Institute offers a wide variety of academic support services. The Academic Learning Centre (ALC) has academic learning and specialised advisers who will help you to develop your academic skills and prepare you for the cultural and academic change to tertiary student life.

Learning support is available in the areas of effective study techniques, academic writing, general academic skills, tertiary readiness, wellness, English as a second language (ESL) support and numeracy support.

Peer Assisted Learning

The Peer Assisted Learning Service (PALS) run by the ALC is a program where high-performing students assist others in specific areas of their studies. Our PALS mentors give up their time voluntarily to ensure students succeed in their studies.

Transport

Regular transport services to campus are available via Sydney ferries, buses and taxis. We run a free, regular, shuttle-bus service for all students from the main Manly precinct up to our campus. If you travel to campus by car, parking is available.
