Info nights and free digital workshops

AIT Info nights are perfect for students and parents who want to explore the endless opportunities available in the growing creative industry.

AIT also runs free digital workshops for students over the age of 16. These one-day workshops have been specially designed to boost your digital and creative skills to help you make a decision about the direction of your studies for 2017 and beyond.

Visit www.ait.edu.au for upcoming dates and to reserve your seat.

Important dates

Terms commence six times per year in Sydney and two times per year in Melbourne.

ABOUT

The Academy of Information Technology (AIT) delivers a unique range of vocational and higher education qualifications specialising in the creative digital industries. We have a multidisciplinary and hands-on approach to creative technology education and provide everything that our students need to gain the most from their education, including premium facilities and access to world-class educators. Students can specialise in one of our exciting areas of 2D Animation, 3D Design, Digital Design, Film & Video, Game Design and IT & Mobile App Development.

We are proud to provide our students with quality facilities including cutting-edge industry software tools and a purpose built Green Screen room. We want our students to gain real-life experience using industry tools designed to help them be ready to succeed in their creative technology careers.

Our academic team are specialists in our course disciplines and have a deep level of engagement with the broader creative digital industry. We strive to support our students becoming active members of the growing creative digital community. AIT is a part of Redhill Education, which was founded in 2006 and listed on the Australian Securities Exchange in 2010, and is committed to quality tertiary education.

ADMISSION REQUIREMENTS

Entry requirements include one or more of the following criteria:

Higher education

- NSW Higher School Certificate or equivalent (ATAR 60.00 as a guideline)
- Certificate IV in a relevant discipline
- Successful admission interview with the optional submission of a creative portfolio. Contact AIT to arrange an interview time and guidance on what to include.

Students who do not receive an ATAR can apply via a portfolio submission.

Vocational education

- Completion of NSW Higher School Certificate or equivalent
- Certificate IV in a relevant discipline.

English language requirements

- International students from non-native English speaking countries require evidence of IELTS score 5.5 or equivalent for Diploma qualifications or IELTS score 6.0 or equivalent for Bachelor qualifications.
- Successful completion of senior high school equivalent to NSW Year 12. A minimum level of achievement is expected for direct entry into a Bachelor degree.

HOW TO APPLY

Apply online directly to AIT at www.ait.edu.au. Do not apply through UAC.

ENROLMENT

You will receive information about acceptance and enrolment procedures with your letter of offer.

FEES AND CHARGES

All students must pay the tuition fee for the course. Read the specific information in the course descriptions below and visit www.ait.edu.au.

FINANCIAL ASSISTANCE

AIT's courses are FEE-HELP and VET FEE-HELP approved, which means eligible domestic students in approved courses will be able to access FEE-HELP or VET FEE-HELP loans to cover their tuition fees. Full-time students may also be eligible for Austudy, Youth Allowance and ABSTUDY.

For more information on FEE-HELP and VET FEE-HELP, visit www.studyassist.gov.au.

ACCOMMODATION

There is no accommodation available on campus. Most students in Sydney and Melbourne will live locally with family, use homestay accommodation or rent share accommodation. AIT can direct students to appropriate accommodation nearby.

STUDENT AND CAMPUS SERVICES

We are proud of our friendly and multicultural environment, and our ability to make our students feel at home on our campus. By caring for the wellbeing of our students, we encourage students to focus on their studies and be part of the creative bubble. Our student council is comprised of enthusiastic student volunteers who organise a range of interest-based activities and clubs.

AIT has a wide range of lecture theatres, computer labs, classrooms and special purpose venues. In addition, there are many collaboration and leisure areas for students to work on team projects, share ideas or relax between classes. Features include:

- computer labs with the latest in multimedia workstations and software
- lecture theatres with networked instructional PCs and data projection
- purpose-built Mac-lab facilities
- a range of general-purpose classrooms
- Green Screen Room
- large agoras for student gatherings
- a dedicated library with a broad range of e-book titles that are available on- or off-campus, 24/7.

FURTHER INFORMATION

In addition to the following courses, AIT offers the following highly regarded qualifications:

- Diploma of Interactive Media
- Diploma of Digital Design
- Diploma of Software Development

For further information, visit www.ait.edu.au, email info@ait.edu.au or call (02) 9211 8399.
