ABOUT

The Academy of Music and Performing Arts (AMPA) is an innovative independent institution leading the way in tertiary education for performing arts in Australia.

With its uniquely personal approach and highly selective admissions criteria, AMPA commits to providing the highest quality in undergraduate and postgraduate degrees focusing on the performing arts, including music (contemporary, jazz and classical), dance (contemporary, ballet, jazz, contemporary and hip hop), music theatre, composition/music production and arts management.

The institution's supportive and collaborative community environment encourages students to pursue excellence in all aspects of their academic, practical and creative study. AMPA equips talented artists with the skills essential to succeed as musicians, dancers, performing artists, composers, producers, choreographers, directors, teachers and industry professionals in Australia and around the world.

Note: The Academy of Music and Performing Arts was previously known as the Australian International Conservatorium of Music (AICM).

ADMISSION REQUIREMENTS

Completion of an Australian Year 12 qualification or equivalent, plus audition and interview. Visit www.ampa.edu.au/how-to-apply for full requirements.

HOW TO APPLY

Applications are made directly to AMPA. Visit the 'Future students' page at www.ampa.edu.au to complete the online application form.

ENROLMENT

Following a successful entry audition, students will receive a Letter of Offer from AMPA. The letter will include information about how to accept and enrol, or defer to another intake.

FEES AND CHARGES

Tuition fees are published online at ampa.edu.au. Fees may be paid directly to AMPA by trimester or by applying for FEE-HELP. Read 'Financial assistance' below for details.

FINANCIAL ASSISTANCE

AMPA is an approved FEE-HELP provider. FEE-HELP is an Australian Government loan scheme that provides assistance with tuition fees for eligible students. In most cases, students pay no upfront fees, with the government covering tuition directly with the student's higher education provider. Students repay their loan through the Australian taxation system once their income rises above the minimum threshold for compulsory repayment. For more information about FEE-HELP, visit www.studyassist.gov.au.

ACCOMMODATION

There is no accommodation available on campus. Most students in Sydney will live locally with family or friends, use homestay accommodation or rent share accommodation.
