ABOUT

At Endeavour College of Natural Health we are committed to the future and success of natural health, both in Australia and internationally. Our purpose is to educate first-rate professionals who are perfectly positioned to service the thriving health and wellness sector.

Endeavour College of Natural Health offers five Bachelor degree programs in Naturopathy, Nutritional and Dietetic Medicine, Acupuncture, Myotherapy and Complementary Medicine and Endeavour College is offering several school leaver and indigenous school leaver scholarships to high achievers for courses starting in 2018. Visit endeavour.edu.au/scholarships for more information.

It is an exciting time to become more involved in the dynamic and booming natural health industry. There's never been such high demand in Australia for natural health practitioners and the range of industries employing our professionals continues to grow. From a careers perspective we believe that more than half of the job types available to health and wellness professionals of the future are yet to be invented. This means your wellness career could take exciting turns you could never have predicted.

The recognition of complementary health services as part of many private health policies also demonstrates increasing acceptance of our industry. We are committed to advancing the future of natural medicine by ensuring our graduates are equipped with a competitive edge to become leaders in their chosen fields of practice. Whether you plan to study for interest, or pursue a career in the health and wellness industry, you will receive the best possible education at Endeavour College.

FEES AND CHARGES

Endeavour College of Natural Health offers a range of flexible and affordable payment options, allowing you to invest in your education and future career in natural medicine.

Policies and procedures relating to FEE-HELP can be accessed by visiting the 'Policies, procedures and forms' page on our website.

Tuition fees are payable per semester and charged per unit. Tuition fees are reviewed annually. Fees for each year are published on the Endeavour College website, endeavour.edu.au. Endeavour College reserves the right to change the fees for any course and to make alterations to the course of study that may increase the fees over the duration of the course.

Endeavour College of Natural Health is an approved higher education provider and is registered with Tertiary Education Quality and Standards Agency, which means eligible students can apply for the Australian Government's FEE-HELP loan scheme – read 'Financial assistance' below.

FINANCIAL ASSISTANCE

Students studying any of our Bachelor programs may be eligible to access FEE-HELP, a tuition loans scheme offered by the Australian Government. FEE-HELP allows students to defer the cost of their study and pay it off through the taxation system once they are working full time. Students are eligible for a FEE-HELP loan if they are either an Australian citizen, or hold a permanent humanitarian visa and reside in Australia.

To find out if you are eligible for FEE-HELP, contact Endeavour College on 1300 462 887.

STUDENT AND CAMPUS SERVICES

All Endeavour College campuses are purpose-built and situated in easily accessible metropolitan locations across Australia. Each campus hosts a fully equipped student clinic open to the public, providing a variety of affordable, natural healthcare treatments. Our campuses also offer modern laboratories, state-of-the-art teaching environments, extensive libraries and bookstores to complement a student's Endeavour study experience.

Endeavour's Careers Service unit assists students with job applications and job-search strategies through a variety of employment preparation resources, weekly careers drop-in sessions and access to an online industry jobs board.
