June 2017

For specific information on intake and orientation dates, visit www.jmccademy.edu.au.

ABOUT

Celebrating over 32 years of education and training in the creative industries, JMC Academy has grown to become one of Australia's leading private institutions with campuses located in Sydney, Melbourne and Brisbane.

JMC Academy offers Diplomas and Degrees in audio engineering and sound production, animation, game development, contemporary music and performance, film and television production, entertainment business management, songwriting and digital design. Students benefit from interdisciplinary collaboration on projects, giving them a real perspective when applying their skills to industry.

JMC Academy is a member of the Australian Council for Private Education and Training (ACPET) and in 2013 won the ACPET Higher Education Provider of the Year award.

JMC Academy is proud of its international partnership with Berklee College of Music in Boston, USA and is a member of the Berklee College of Music's International Network—the only Australasian institutional partner school. The Berklee International Network comprises selected institutions from all over the globe who share a passion and vision for the advancement of contemporary music and quality education.

JMC Academy's Academy of Film, Theatre and Television is located in the leafy streets of Surry Hills, Sydney, and enables students to further build on their collaboration and networking opportunities by working alongside actors, stage and technical producers, cinematographers and scriptwriters.

ADMISSION REQUIREMENTS

Completion of an Australian Year 12 qualification or equivalent. Also read specific information in course descriptions.

HOW TO APPLY

Apply directly to JMC Academy. Do not apply through UAC. Call 1300 410 311 or visit www.jmccademy.edu.au for application details.

ENROLMENT

You will receive information about acceptance and enrolment procedures with your letter of offer.

FEES AND CHARGES

Tuition fees are payable four weeks prior to the commencement of each trimester. Alternatively, students may apply for FEE-HELP.

FINANCIAL ASSISTANCE

Australian residents are able to apply for FEE-HELP, a loan scheme that assists eligible students to pay their tuition fees. The Australian Government pays the amount of the loan directly to the student's higher education provider, in this case JMC Academy. Students then repay their loan through the Australian taxation system once their income rises above the minimum threshold for compulsory repayment.

For further information on FEE-HELP, visit www.studyassist.gov.au.

JMC Academy is Austudy and ABSTUDY approved for all full-time courses. Scholarships are also offered for eligible applicants.

ACCOMMODATION

There is no accommodation available on campus. Most students in Sydney will live locally with family, use homestay accommodation or rent share accommodation.

STUDENT AND CAMPUS SERVICES

To ensure quality and consistency throughout the student experience, additional programs are offered to support learning outcomes, including mentoring, counselling and ongoing academic assistance. Library and research facilities are also offered on campus.

All studios and production facilities are available exclusively to students.
