- Work Recognition Program
- strong performance in Year 12 subjects relevant to the course of study – applies to some courses (read the course descriptions for details).

## Australian tertiary studies

Non-Year 12 applicants are selected primarily on academic merit as indicated by the applicant's previous academic record. This may have been obtained via the HSC/VCE or equivalent, TAFE study (Certificate IV or higher, partial or complete) or university study (partial or complete). La Trobe's TAFE Diploma pathways program enables some applicants who have studied at TAFE to enter related degree courses with a significant level of credit. For details, visit [www.latrobe.edu.au/study/how-to-apply/your-options/diploma-or-tafe-pathway](http://www.latrobe.edu.au/study/how-to-apply/your-options/diploma-or-tafe-pathway).

Non-Year 12 applicants may choose to supplement their academic record by sitting the Special Tertiary Admissions Test (STAT); refer to section 2.8 in Part 1 or visit [www.uac.edu.au/stat](http://www.uac.edu.au/stat).

## Overseas qualifications

Australian citizens or permanent residents of Australia with overseas qualifications will meet minimum tertiary entrance requirements if these are assessed by UAC as comparable to the required NSW qualifications. Refer to tables 7 and 8 in Part 1 for information on overseas secondary qualifications.

To check whether you are required to sit an English language proficiency test, read section 2.9 in Part 1, visit [www.uac.edu.au/undergraduate/admission/elp.shtml](http://www.uac.edu.au/undergraduate/admission/elp.shtml) or call the University on 1300 135 045.
