ABOUT

Torrens University Australia has been specifically designed with one purpose: employability. Our students graduate confident, highly skilled, qualified, and experienced. We ensure students complete practical work experience and internships, our lecturers are industry practitioners, and students gain access to employers, industry leaders, and entrepreneurs.

Torrens University Australia offers a range of undergraduate and postgraduate programs – for study on-campus, online or a mix of both depending on the program selected. We are a national university with purpose-built campuses in Brisbane, Sydney, Melbourne, and Adelaide.

Torrens University Australia continues to prove its reputation as an innovative and global education provider by growing its offerings to include some of the world's most prestigious schools, including Billy Blue College of Design, Media Design School, Blue Mountains International Hotel Management School and William Blue College of Hospitality Management.

Be part of an international network

In addition, Torrens University Australia is part of Laureate International Universities, which means Torrens students are connected with over 70 institutions worldwide, opening up the doors to global opportunities.

Torrens University Australia operates through the following legal entities: Torrens University Australia Ltd, ABN 99 154 937 005, RTO No. 41343, HEP No. 4449, CRICOS Provider Code 03389E; Think: Colleges Pty Ltd, ABN 93 050 049 299, RTO No. 0269, CRICOS: 00246M.

Small classes

Our average class sizes are small, which means you will get the individual attention and support you need to learn and thrive. Our classes foster an environment of encouragement, contribution and respect, giving students the skills to tackle professional life.

Industry Placement Program and professional network

When you study at Torrens University Australia, you will complete an Industry Placement Program with one of our industry partners during which you will gain experience in your chosen profession and obtain solid insights into modern workforce performance and expectations. A B Business requires 400 hours off-campus, working on industry placement, all hospitality degrees have industry placements integrated into their Bachelor degrees.

Many Torrens University graduates are able to secure jobs with the organisations they've worked with as part of this program, or through connections they have made during their studies.

ADMISSION REQUIREMENTS

To be offered a place in a course at Torrens University Australia you must meet the minimum entry requirements listed in one or more of the following categories as well as satisfy English language requirements.
