[uac.edu.au/srs](https://uac.edu.au/srs)

An opportunity for Year 12 applicants to be assessed on criteria other than, or in addition to, the ATAR.

## Key dates

### Schools Recommendation Scheme

2022		
September	19	SRS applications close
November	11	First SRS conditional and unconditional offers released
December	22	Conditional SRS offers converted to unconditional offers

2023		
January	12	Conditional SRS offers converted to unconditional offers

To apply for the Schools Recommendation Scheme, you must be a Year 12 applicant who is attempting:

- an Australian Year 12 qualification in 2022, or
- an International Baccalaureate in Australia in 2022.

You must also be:

- a UAC applicant for undergraduate admission in 2023
- an Australian or New Zealand citizen, a permanent resident of Australia or the holder of an Australian permanent resident humanitarian visa.

### How SRS works

Once you've applied for SRS, UAC will email your school principal to notify them of your application. There is no need for you to tell your school.

### School ratings

Your principal will ask a staff member to rate you in 10 areas of study, which are split into two sub-groups:

- performance in the following Year 12 subjects:
  - Agriculture
  - Creative Arts
  - English/Humanities/Social Sciences
  - Languages
  - Mathematics
  - Science
  - Technology
- suitability for tertiary study in the fields of:
  - Commerce
  - Education
  - Health.

Your school will also rate you according to its assessment of you:

- capacity for abstract thought and analysis
- ability to organise ideas and articulate a position orally and in written form
- ability to work and learn independently
- motivation to achieve long-term goals
- capacity for tertiary study.

Note that participation is optional and UAC cannot guarantee that your school will provide ratings for your application.

### Offers

Participating institutions can use a range of criteria when making SRS offers, including your:

- school's rating of your aptitudes
- Year 11 studies
- Educational Access Scheme (EAS) application (if applicable).

Each institution has its own policies on determining SRS eligibility and making offers.

If your application is successful, you will receive your offer by email in November. There are two types of SRS offers:

- unconditional offers (which have no further criteria for you to meet)
- conditional offers (which require you to meet additional criteria).

In November, you can receive **one unconditional offer** and one or more conditional offers.

**Unconditional offers:** Accept your unconditional offer, even if it's for your lowest course preference. You will automatically be considered for your higher preferences in later rounds.

If you receive an unconditional offer to one of your higher preferences and want to be considered for all your other preferences in later rounds:

- accept the offer
- log in to your UAC undergraduate application, go to 'Update course preferences' and move that course down to the bottom of your course preference list or remove it entirely (as long as you have accepted the offer, you can't lose it).

If you then receive an offer to a course in your new list, you can decide whether to accept it and withdraw from your original course, or not accept the new offer and keep your place in your original course.

**Conditional offers:** To convert your conditional offer to an unconditional offer, you must:

- meet the condition/s stipulated in the offer
- meet all other institution requirements for that course
- include the course in your list of preferences by midnight 16 December 2022 (closing date of change of preference for December Round 2).

### Unsuccessful applicants

UAC won't advise applicants who do not receive an offer through SRS. An unsuccessful SRS application has no effect on your UAC undergraduate application.

### How to apply

SRS applications close at midnight on Monday 19 September 2022. Offers will be based on your course preferences as at midnight on Thursday 3 November 2022, unless an earlier date is specified by the institution.

- 1 Submit your UAC undergraduate application.
- 2 Go to the UAC website, select 'Apply or log in' at the top right of the screen and then 'Schools Recommendation Scheme application'. Log in using your UAC application number and PIN. A series of questions and prompts will guide you through the application process.
- 3 Enter your Year 11 studies, if prompted to do so.
- 4 Upload documents, if required.
- 5 Review your application summary.
- 6 Accept the declaration and authority.
- 7 Download and check your confirmation of application.

**Questions?** Send an email to [srs@uac.edu.au](mailto:srs@uac.edu.au).

Please provide your UAC application number and full name in all email enquiries.

### Application fee

There is no fee to apply for the Schools Recommendation Scheme, but there is a fee to apply for undergraduate admission through UAC. The undergraduate application fee will increase at midnight on Friday 30 September 2022.

### Your email address

UAC will email you about your application, so you must provide a private (ie not school-based), up-to-date email address when you apply. To prevent emails from UAC reaching your junk folder, add the domain [uac.edu.au](mailto:uac.edu.au) to your list of safe email contacts.

It is your responsibility to check your emails regularly (including your junk emails) for any messages from UAC.
