Notes:

Cell values of fewer than 3 have been suppressed and are shown as an asterisk (*). Suppression of totals may also occur where suppressed cell counts could potentially be identified.

Only applicants who identify as male or female are counted due to low counts for those who identify as neither when split across regions.

Current Year 12 is defined as any domestic applicant with an Australian Year 12 qualification that has been attained in the year 2019. All other domestic applicants are defined as Non-Year 12. International applicants are defined as International.
